do children.	2376	2324	1836	1742
Total attendance.	30,857	27,067	27283	21,241

8. Whether the accounts, registers of attendance of patients and stock book are regularly maintained.	Yes.
9. (a) The income and expenditure of the institution for the preceding year showing particularly the portion spent on cheritable medical aid.	Given in the schedule C.
(b) Whether the accounts of the institution are audited and if so, by whom.	For the four years ending 30-6-1948 accounts audited by Sri T.Rama Rao, Retired Inspector of Co-operative Societies, Mangalore. For the two years ending 30-6-1950 accounts have been audited by Sri P. Gopalkrishna Rao, B.Sc., A.C.A. Copies of the reports enclosed.

(c) Whether the institution gives free treatment and in cases in which it is giving treatment on payment, the conditions on which such treatment is given.	Free medicines are given. It is the desire of the Sangha to give the services of the midwife also free. At present a nominal fee of Rs.2/- or Rs.3/- is charged.
(d) Whether the institution is maintaining proper registers in respect of the receipts and expenditure.	Yes.
10.(a) Whether any inspections have been made during the preceding year; if so, by whom, and with what remarks?	Copy of remarks from some of the visitors enclosed separately.
(b) Whether the institution will be prepared to agree to supervision by the authorities appointed by Government.	Yes.
11.(a) The area served by the institution and whether there are any dispensaries in the vicinity (five miles radius).	About ten villages. There are no free dispensaries within a radius of five miles. There are hospitals in Mangalore i.e., 6 miles away from the place and separated by the Kulur river. There is also a Local Board Dispensary in Moolky--14 miles away and also separated by the Kulur river.
(b) If so, the system of medicine followed there and the distance of the same from the applicant's institution.	No.
12. Other grounds on which the aid is claimed.	As there is no free medical aid available within a radius of five miles and as the villages are cut off from Mangalore or Moolky by the rivers, Kulur and Pavanje, and there are no bridges, it is difficult for the patients to get medicines from the said villages.

There is no maternity ward for the area covered by the above ten miles. Hence the necessity of the services of the midwife.

That after the midwife was appointed, the post of compounder had to be dispensed with for want of funds.

It is the earnest desire of the Sangha to give free medical aid as is given now and also to give the services of the midwife free.

At present for payment to the staff:--

	Rs.	A.	P.
Amount required.	1644	0	0
If a compounder is appointed. ..	500	0	0

Cost of free medicines at the rate of Rs.3/- per day.	Rs.1000	0	0
Total	Rs.3144	0	0

The present income

Interest from amount of Rs.10,000/- advanced on loan with interest at 5 per cent. per annum.	Rs. 500	0	0
From donations and collections from the public.	Rs. 750	0	0
	Rs.1250	0	0
Balance amount required annually.	Rs.1894	0	0

For the first three years the Sangha was fortunate in getting a contribution of Rs.1000/- per year from the founder Sri P.K. Thimmappaya. It is not possible for him to continue to donate similarly in future and he has stopped it since --- 1-6-1949.

Declaration.

On behalf of the Management of the Institution I hereby declare that I am prepared to abide by the conditions which will be laid down by the Government and to subject the Institution together with its current endowment and accounts, its establishment and the registers etc. to inspection and to -- furnish such returns as may be required by the Government or the Head of the Department of Indian Medicine.

Delighted to visit the Institution. Was glad to learn that Mr. Thimmappayya, a land-lord from the Village, had donated Ten Thousand Rupees for the Dispensary. The attendance seems to be going up day by day. I hope the dispensary will be helped by other monied people in this Village. Wish the Organisers every success in their attempt to make the institution helpful to all the villagers.

Of all the services to the public, the service to the ailing is probably the foremost and the most deserved. That a philanthropic individual, Sri Thimmappayya came forward to give this is a matter of congratulation to the little town of Panambur which was in dire need of this. I hope his good example will be emulated by others and soon the present dispensary whose activity is bound to enlarge will soon evolve itself into a small hospital with all its units, which is so necessary. I wish the Institution success.

I was very happy to visit to-day the Sri Rama Dharma Vaidya Shala, Panambur - a popular free dispensary of the place. The generous donor Sri Thimmappayya could not have found a better cause for his charity. It is gratifying to note that the affairs of the Institution are ably conducted by a Committee with Sri Srinivasa Rao P. at the helm. This augurs well for the Institution. He is a selfless worker with high ideals. I was delighted to see from the attendance Register that the Dispensary is very pupular. The average attendance ranges between 100 and 120. I wish there were more useful Institutions of this type in our District which has few dispensaries and hospitals. The District Board should give a midwife to this Institution at a very early date. It is my desire that this charitable Institution should get more encouragement from the generous public. I wish the Institution all prosperity.

I went round the Institution this morning. This is an infant Institution which has made a good start. The Medical Officer in charge is enthusiastic and there is much scope for making this a first rate Ayurvedic Pharmacy. As this area is separated from Mangalore by a river which is unformiable at times, there is a great necessity to improve this Institution. This is already doing good work to the needy in the locality. I earnestly hope the philantropic minded public of the district and outside will help the Institution to grow very rapidly.

Visited this Charitable Institution this morning. Very glad to see the good work going on here. The Doctor in charge Dr. Sharma seems to be popular as there is an attendance of nearly 60 patients every day. Hence it is painful to hear that it is difficult to keep this Dispensary running as public subscriptions are languishing and the yearly interest of Rs.500/- derived from the permanent fund of the Association is insufficient to keep it running. It would be a great pity to close this Institution for lack of funds. Hence the question of requesting the District Board to help this charitable Institution by a suitable grant to supplent the existing resources, may be considered by the Association. The Institution deserves all help and support of philanthropic gentlemen and public bodies.

Visited the Institution this evening. It is gratifying to note that the Institution is being run by an Association, registered as Sri Rama Dharma Vaidya Shala and the medicine is being dispensed free of cost. The average attendence is said to be 70 to 75. There is also a midwife attached to the Institution. The Institution deserves patronage and encouragement.

I visited the Sri Rama Dharma Vaidyashala this evening. It is to be really admired that this Institution has catered to the medical needs of over 6,000 persons last year and is continuing to serve the people. The appointment of a Midwife by the Institution will greatly help the locality and I am sure the people will appreciate this noble service. I wish the Institution all success.

To-day I had the pleasure of presiding over the Fourth Annual Celebration of the Vaidyashala. There was a fairly good gathering and it was clear that the people have appreciated the work of the Institution. I also unveiled the portrait of Sri P.K.Thimmappayya, Founder of this Instutution. I am very glad to know that he has not only started it, but is continuing to help the Institution to grow from strength to strength. He has set a noble example. This Institution deserves all help and encouragement.

I visited this charitable institution run by a trust consisting of local philanthropic gentlemen. The dispensary attendance is about 70 to 80 patients daily. The midwife is also attending to visits and conducts about 8 cases monthly. I wish the institution every success and prosperity.

Sir,

I have completed the audit of your Association for the Fasli 1358 and am enclosing the relative Statements. With reference to the accounts I give the following informations:-

1. Al receipts and payments are supported by counterfoil receipts and proper vouchers respectively.

2. The Bank balance has been verified with that in the Bank Pass book.

3. Fixed Deposits:

(a) I have verified only the F.D.166/48 of the Karnataka Bank Ltd., Mangalore.

(b) F.D.R.No.188/47 is with The Karnataka Bank Ltd., Mangalore, as the Association has taken a loan on the F.D. to advance the same on a higher rate of interest. This transaction took place in Fasli 1359.

(c) F.D.R.No.108/47 was not available for verificatic at the time of audit as the same was with the Treasurer. This F.D. for Rs.5,000/- matured in April, 1949 but the same has neither been re-invested in F.D. nor invested otherwise.

Yours faithfully,

Chartered Accountant.

P13 of 21 (1) Ref:- 3321/50 G.O. (MS) No. 3670 Health Department d/- 30-10-1950.

S i r,

Beg to place the following for your kind consideration and favourable orders -

The order negativing the request for grant has caused great disappointment in the Organisers of the Association.

The Association was encouraged by Memo No.9125-1-1/50 dated 9- 6- 1950 and hoped that they would receive a substantial assistance from the Government by way of grant.

The Association has been doing noble work in the direction of rendering medical aid to the poor and needy and also giving expert assistance through the midwife during delivery to women of the locality.

If the Government had felt that it could not pay a grant to meet the entire deficit shown in the application, by granting at least a portion of the amounts claimed the Government

would have given an encouragement to the Assocation in carrying out its noble purpose and the same would have encouraged them to a lar-ge extent.

11723

Therefore, on behalf of the Association, I once again pray that the Government may be pleased to reconsider its decision and order payment of some grant, so that the Association can continue in its object and help the poor and the sick.

Praying once again that the Government may be pleased to reconsider its decision and help the Association.

Beg to remain,

Yours faithfully,

REF:- From the President, Sri Rama Dharma Vaidya Sala/Sangha, Panambur dated 1.9.50.
From the H.D.I.M., letter No.Rc.2649-C1/50. dated 16.9.50.

The President, Sri Rama Dharma Vaidya Sala Sangha, Panambur, South Kanara has submitted an application in the prescribed form for a grant of Rs.1894/- towards the free Ayurvedic dispensary run by the Sangha at Panambur. The Sangha is registered under the Societies ~~Regulation~~ Registration Act and it is represented by a Board of Directors The objects of the Sangha are given at pp.47-51 c.f.

2 The H.D.I.M. has stated that the work of the dispensary as reported by the Inspecting Medical Officer is fair. He has also stated that the institution is likely to be more useful if an 'A' class practitioner is employed as Medical Officer. He has forwarded the application for grant for favourable consideration as Part II Scheme for 1951-52, but he has not specified the exact amount to be sanctioned as grant. Usually proposals regarding payment of grants to private medical institutions are treated as Part II Schemes and if it is proposed to sanction any grant to this Sangha it has to be treated as a Part II scheme for 1951-52. According to clause (g) of Memorandum No.22480-A/50-1. dated 19.7.50, the amount of grant payable is to be restricted to half the actual net cost after deducting the total income of the institution from the total expenditure incurred on its maintenance and is subject to a maximum to be fixed by the Govt. From the audited statement of accounts of the Sangha for the years 1946, 1947 and 1948 it is seen that the Sangha is not running into deficit. The giving of a grant to an institution arises only if there is a need for it, in other words, if the institution is working at a deficit and not otherwise.

from this point of view, the request of the Sangha for the payment of a grant of Rs.1894/- cannot be complied with irrespective of the merits of the Sangha. For orders.

The case may be sent to Fin. u.o. for remarks.
